

# Free PMP® Exam Prep Mastermind Group: The Road to PMP® Preparation

*1-Free PMP® Exam Prep Boot Camp Scholarship Will Be Given to a Class Participant (\$1,400 Value)*

The Project Management Professional (PMP®) certification is the most sought-after credential in project management, and individuals attempt daily to pass the exam without success. This PMP® Exam Prep Mastermind Group attempts to help those desiring a PMP® gain a better understanding of the process.

Mastermind groups have been around since the early 1900s and have impacted both individuals and companies with powerful tools to learn new skills and the ability to move into new careers.

The PMP® Exam Prep Mastermind Group aims to assist people in the preliminary stages of the PMP® certification process. This course is ***not a boot camp*** to prepare for the exam but is a means to guide those in the early stages of seeking the PMP® certification. This course helps the individuals focus on pre-learning content, select proper documentation, complete as much of the application as possible, and select an Authorized Training Partner from Project Management Institute (PMI®).

This Mastermind Group goes through the PMP® exam content objectives. It allows participants to take mockup PMP® exam questions, vocabulary tests, and receive an Exam Memory Chart to assist them in passing the new 2021 test.

Bringing the group together in a free PMP® Exam Prep Mastermind Group creates a foundation of support and direction for individuals worldwide. People share challenges and experiences that benefit everyone.

This five-day course requires a commitment of one hour each day from participants. Each participant receives coaching, counseling, and guidance that helps make better decisions when preparing for the PMP® test. All discussions and suggestions will align with the current test and objectives.

In an Authorized PMP® Exam Prep Course, the leader must be one of PMI's 600 Authorized Training Partners and an Authorized Training Partner PMP® Instructor.

On January 2, 2021, PMI® made significant changes to the PMP® exam. The PMP® exam ***no longer follows the current PMBOK® Guide*** as the primary test resource. Instead, PMI® uses their testing material, taught in ***100%*** of all PMP® Exam Prep courses. This PMP® Mastermind Group does not include the PMP® Exam Prep course material given to each person when participating in a PMP® Exam Prep Boot Camp.

Dr. Keith Mathis is celebrating his 31<sup>st</sup> year in project management training and has seen thousands of students pass the PMP® exam using his tips and techniques. Keith teaches project management courses for two universities as a doctoral chair and an assistant professor. He conducts project management and PMP® training all over North America, and organizations have him return because of his phenomenal passing rate.
