Course Description: This course will focus on ways to reduce professional or personal conflict and negativity. Participants will gain insight into ways to acquire control of volatile situations and prevent anger from escalating. They will learn how to turn around negative situations in the workplace. They will receive clear steps of action for getting to the root of the conflict. Attendees will examine why negative situations ripple throughout the organization. They will discover ways to navigate difficult situations, techniques for gaining consensus, and simple confrontation strategies that reduce stress. They will create approaches that will turn a negative situation into an optimistic workforce.

Method of teaching: Students will learn tips, techniques, and processes through webinars that can be accessed 24/7 and completed at their own pace. Remember, though, that you must complete the course within 60 days.
