

What Others Say About Keith

You engaged the entire audience and everyone felt your enthusiasm. You are definitely one of the reasons the Forum was such a success.

Heather Day
Pfizer :: Chesterfield, MO

Thank you for presenting. Your energy could be felt throughout the room. Here is an example of the positive comments we received from the attendees: "Dr. Keith Mathis has done his job – I'm re-energized! I'm checking my goals, re-working them, and getting excited about improving myself."

Pfizer Leadership Team
Groton/New London

Keith will help you gain a belief in yourself and discover that with perseverance and vision you can accomplish your objectives.

Gary Smith, Senior VP
Rockwood Bank

Keith's focus on increased productivity and expectation hit home for most of us, and I heard only positive comments following the workshop.

Keith Robertson
Superintendent
of School

It is not often that you hear a speaker who can make you laugh, touch you emotionally, and have you learn something at the same time.

Jim Gallo, President
Broward Human
Resource Association

When Dr. Mathis takes the stage, it is immediately evident that he has the ability to put an audience at ease, create trust, and clearly communicate thoughts. I highly recommend Dr. Mathis as a presenter/keynote speaker.

Rob Boyle
Manager, Leadership Programs
Saint Louis University

Thank you so much for your presentation. The audience found you to be interesting and entertaining and considered the seminar well worth their time. Samples of comments from the audience include, "It was a great meeting," "The speaker was very entertaining," and "It was nice to hear someone express in words what I've been thinking."

Judy Harris
Vice President of Programming
Greater Miami American
Marketing Association

I have been associated with Dr. Mathis and his firm for well over a year. He has received very high marks from every state employee.

Paul Wright
IT Director from Elementary
and Secondary Education
State of Missouri
